

Synopsis

What is Professional Social Work? is a now classic analysis of social work as a discourse between three aspects of practice: social order, therapeutic and transformational perspectives. It enables social workers to analyse and value the role of social work in present-day multiprofessional social care.

Full Description

What is Professional Social Work? is a now classic analysis of social work as a discourse between three aspects of practice: social order, therapeutic and transformational perspectives. It enables social workers to analyse and value the role of social work in present-day multiprofessional social care.

This completely re-written second edition explores social work's struggle to meet its claim to achieve social progress through interpersonal practice. Important features of this new edition include:

- § practical ways of analysing personal professional identity
 - § understanding how social workers embody their profession in their practice with other professionals
 - § detailed analysis of current and historical documents defining social work and social care
- analysis of values, agencies and global social work.
